

## **What are Kyle's Pick® Cherries?**

Kyle's Pick® is a signature program for Stemilt Growers' premium cherries. Stemilt reserves its top cherry varieties, largest-sized fruits, with high firmness and dessert flavors for specially marked Kyle's Pick® packs. After all, those are the exact qualities that 4<sup>th</sup> generation cherry grower Kyle Mathison strives to grow at his own orchards. Kyle is the most passionate cherry farmer you'll ever meet and this is his way of sharing cherries that build memory and trust with you.

## **What do Kyle's Pick® Cherries taste like?**

This is a best-of-the-best program. We reserve top dark-sweet cherry varieties like Stemilt Hill Bings, Sweetheart, Skeena and Glory™ cherries for Kyle's Pick® packs. Every bite is crisp, super-sweet with balanced acidity, and that perfect cherry flavor that everyone knows and loves.

## **Where are Kyle's Pick® Cherries grown?**

Kyle's Pick® cherries hail from Washington State, and more specifically from the legendary Stemilt Hill near Wenatchee, WA. This area is where Stemilt's founding family, the Mathisons, have grown cherries for a century. Heritage orchards, a summertime climate of warm days and cool nights, and Kyle's innovative farming techniques make this one of the best places in the world to grow cherries!

## **Who is Kyle?**

Kyle is a 4<sup>th</sup> generation cherry grower who gets up each day with one goal in mind: to grow World Famous Cherries that will build memory and trust with your shoppers. He's as passionate as they come and with more than 40 years of farming experience, he knows cherry trees!

## **When are Kyle's Pick® Cherries available?**

Kyle's Pick™ cherries are available in July. The season is short, but very sweet!

## **How can I use Kyle's Pick® Cherries?**

Kyle's Pick® cherries are best for eating straight out of the package but would also be great cherries to freeze for winter months or enjoy in any salad or baked dessert.
