**Stemilt +  
Responsible  
Choice**

**Responsible Choice** Stemilt's founder, Tom Mathison started Responsible Choice® in 1989. Today, it's how Stemilt stewards an environmentally sustainable and socially responsible business. Responsible Choice® initiatives align with Stemilt's core values and have three focus areas: people, planet and profits.

**15,000**

tons of compost produced annually at Stemilt World Famous Fruit Compost Farm

[GRASS CLIPPINGS, TREE TRIMMINGS, LEAVES, YARD DEBRIS]

**SINCE  
2005**
