

Shine, Everyday

Say Hello to the Classic Beauty

Taking a bite of Sunrise Magic® apples is like soaking up the first sunshine of spring with a perfect combination of sweet and bright flavors. The apple is a classically bred cross of Splendour and Gala varieties developed through the fruit breeding program at Washington State University.

Parentage: Splendour x Gala

Flavor: Sweet, and bright with a crisp, juicy finish

Shape & Color: Round with sunny, pink-red colors

Experience: Perfect for slicing, and picked with beauty to brighten any snack time, salads, desserts and more!
